Re: Recommend One-time Bonus

Board of Works Members,

At the request of the City Council, I respectfully request approval of a one-time bonus of \$10,000 for the Manager of the Wastewater Department in recognition of his dedication and oversight in managing the Wastewater Treatment Plant project. He has successfully led this project for six years, navigating and overcoming numerous challenges.

Approval of this payment was outlined and included in the City of Greenfield Common Council Ordinance No. 2025/40 approved on December 10th, 2025.

Respectfully,
