Greenfield, Indiana 46140-2284

Dear Mr. Titus:

This letter agreement confirms the arrangements for Crowe LLP ("Crowe" or "us" or "we" or "our") to provide the professional services, as more fully set forth herein (the "Services"), and the deliverables set forth herein (the "Deliverables") to Greenfield Power and Light ("you", "your" or "Client"). The attached Crowe Engagement Terms, and any attachments or addenda thereto, are an integral part of this letter agreement and are incorporated herein by reference (collectively, the letter agreement, Crowe Engagement Terms, and any attachments or addenda are defined as the "Agreement").

AUDIT SERVICES

Our Responsibilities

We will audit and report on the financial statements of the Client for the year ending December 31, 2025.

We will audit and report on the financial statements of the business-type activities which collectively comprise the basic financial statements of the Client for the period(s) indicated.

In addition to our report on the financial statements, we also plan to perform specified procedures in order to describe in our report whether the following required supplementary information is presented in accordance with applicable guidelines. However, we will not express an opinion or provide any assurance on this information due to our limited procedures.

- Schedule of the Utility's Proportionate Share of the Net Pension Liability - PERF
- Schedule of Utility's Contributions - PERF

The objective of the audit is the expression of an opinion on the financial statements. We will plan and perform the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement whether caused by error or fraud. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Because of inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with applicable standards. An audit is not designed to detect error or fraud that is immaterial to the financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks that the financial statements could be misstated by an amount that we believe would influence the judgment made by a reasonable user of these financial statements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. As required by the standards, we will maintain professional skepticism throughout the audit.

In making our risk assessments, we obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Client's internal control. However, we will communicate in writing to those charged with governance and management concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. We will communicate to management other deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in our professional judgment, are of sufficient importance to merit management's attention. We will also communicate certain matters related to the conduct of the audit to those charged with governance, including (1) fraud involving senior management, and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements, (2) illegal acts that come to our attention (unless they are clearly inconsequential) (3) disagreements with management and other significant difficulties encountered in performing the audit and (4) various matters related to the Client's accounting policies and financial statements. Our engagement is not designed to address legal or regulatory matters, which matters should be discussed by you with your legal counsel.

As part of our audit, we will conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Client's ability to continue as a going concern for a reasonable period of time.

We expect to issue a written report upon completion of our audit of the Client's financial statements. Our report will be addressed to those charged with governance of the Client. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis of matter or other matter paragraph or a separate section in the auditor's report, or withdraw from the engagement.

Our audit and work product are intended for the benefit and use of the Client only. The audit will not be planned or conducted in contemplation of reliance by any other party or with respect to any specific transaction and is not intended to benefit or influence any other party. Therefore, items of possible interest to a third party may not be specifically addressed or matters may exist that could be assessed differently by a third party.

The working papers for this engagement are the property of Crowe and constitute confidential information.

Although some professionals assigned to the engagement may have a Juris Doctor, an L.L.M., or other law degree, Crowe and its personnel do not practice law and have not been engaged to provide any legal advice. You acknowledge and agree that neither Crowe nor any of our personnel will be asked or engaged to provide any legal advice in providing any services to you.

The Client's Responsibilities

The Client's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Management has the responsibility to adopt sound accounting policies, maintain an adequate and efficient accounting system, to safeguard assets, and to design and implement programs and controls to prevent and detect fraud. Management's judgments are typically based on its knowledge and experience about past and current events and its expected courses of action. Management's responsibility for financial reporting includes establishing a process to prepare the accounting estimates included in the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Client's ability to continue as a going concern for one year from the date the Financial Statements are available to be issued.

Management is responsible for providing to us, on a timely basis, all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters. Management is also responsible for providing such other additional information we may request for the purpose of the audit, and unrestricted access to persons within the Client from whom we determine it necessary to obtain audit evidence. Additionally, those charged with governance are responsible for informing us of their views about the risks of fraud within the Client, and their knowledge of any fraud or suspected fraud affecting the Client.

Monitoring independence includes monitoring affiliates and obtaining information about those entities. For the purpose of complying with applicable independence requirements, the Client agrees to provide Crowe, at least annually, a complete and accurate legal entity listing (e.g. component units included in the Client's financial statements), and a listing of other entities that meet the definition of affiliate under the applicable independence standards that are not included on the legal entity listing (e.g. joint ventures, jointly governed organizations, related organizations, and equity method investments). Crowe's independence may be impaired when an event occurs that impacts the Client's financial reporting entity. The financial reporting entity includes a primary government, organizations for which the primary government is financially accountable, and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's basic financial statements to be misleading or incomplete. The Client is responsible for providing Crowe timely, advance notice of events impacting the financial reporting entity so that both parties may assess the impact, if any, of such event on independence. Such notice may include timely providing Crowe notice of any changes in financial accountability amongst the primary government and current and potential component units including changes in board appointment responsibilities, financial benefit/burden relationships, or fiscal dependence. In assessing the impact of such event on independence, the parties will take appropriate action, which may require us to terminate the engagement. In addition, an impairment that extends to engagements with affiliates may require us to terminate multiple engagements, including those that may not be specific to this engagement letter.

Management is responsible for adjusting the financial statements to correct material misstatements related to accounts or disclosures. As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit, including that the effects of any uncorrected misstatements aggregated by us during the audit are immaterial, both individually and in the aggregate, to the financial statements, and to the Client's compliance with the requirements of its Federal programs. Management acknowledges the importance of management's representations and responses to our inquiries, and that they will be utilized as part of the evidential matter we will rely on in forming our opinion. Because of the importance of such information to our engagement, you agree to waive any claim against Crowe and its personnel for any liability and costs relating to or arising from any inaccuracy or incompleteness of information provided to us for purposes of this engagement.

Management is responsible for the preparation of the supplementary information identified above in accordance with the applicable criteria. As part of our audit process, we will request from management certain written representations regarding management's responsibilities in relation to the supplementary information presented, including but not limited to its fair presentation in accordance with the applicable criteria, the method of measurement and presentation and any significant assumptions or interpretations underlying the supplementary information. In addition, it is management's responsibility to include the

auditor's report on supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information. It is also management's responsibility to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by Client of the supplementary information and the auditor's report thereon.

Management is responsible for the preparation of the required supplementary information identified above in accordance with the applicable guidelines. We will request from management certain written representations regarding management's responsibilities in relation to the required supplementary information presented, including but not limited to whether it has been measured and presented in accordance with prescribed guidelines, the method of measurement and presentation and any significant assumptions or interpretations underlying the supplementary information.

Management is responsible for report distribution responsibilities, including determining which officials or organizations will receive the report and making the report available to the public as applicable when the audit organization is responsible for report distribution.

OTHER SERVICES

With respect to the above other services, we will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities. In connection with performing the above other services, you agree to: assume all management responsibilities including making all management decisions; oversee the service by designating an individual, preferably within senior management, who possesses suitable skill,

knowledge, and/or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services.

FINANCIAL STATEMENT PREPARATION SERVICES

You have also asked us to assist in the preparation of your financial statements from the books and records of the Client as of and for the year(s) ending December 31, 2025. In connection with performing this service, you agree to: assume all management responsibilities including making all management decisions; oversee the service by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services.

FEES

Our fees are outlined below.

Description of Services	Fee Amount
Audit of Greenfield Power and Light, including business services fee	\$26,900

We anticipate separate billing of the audit fees to the Client and the Indiana Municipal Power Agency based on the agreement between these parties that is communicated to us.

To offset various overhead expenses associated with providing professional services that are not directly invoiced, a business services fee will be billed at five percent (5%) of total invoiced fees and expenses prior to tax. The business services fee reflects our estimate of costs including but not limited to technology, data security, administrative support, processing support, and other related support on this engagement.

Our invoices are due and payable upon receipt. Invoices that are not paid within thirty (30) days of receipt are subject to a monthly interest charge of one percent (1%) per month or the highest interest rate allowed by law, whichever is less, which we may elect to waive at our sole discretion, plus costs of collection including reasonable attorneys' fees. If any amounts invoiced remain unpaid thirty (30) days after the invoice date, you agree that Crowe may, in its sole discretion, cease work until all such amounts are paid or terminate this engagement.

The fees outlined above are based on certain assumptions. Those assumptions may be incorrect due to incomplete or inaccurate information provided, or circumstances may arise under which we must perform additional work, which in either case will require additional billings for our services. Examples of such circumstances include, but are not limited to:

- Changing service requirements
- New professional standards or regulatory requirements
- New financial statement disclosures
- Work caused due to the identification of, and management's correction of, inappropriate application of accounting pronouncements
- Erroneous or incomplete accounting records
- Evidence of material weakness or significant deficiencies in internal controls
- Substantial increases in the number of significant deficiencies in internal controls
- Regulatory examination matters
- Change in your organizational structure or size due to merger and acquisition activity or other events
- Change in your controls
- New or unusual transactions
- Agreed-upon level of preparation and assistance from your personnel not provided
- Numerous revisions to your information

- Lack of availability of appropriate Client personnel during fieldwork.

Additionally, to accommodate requests to reschedule fieldwork without reasonable notice, additional billings for our services could be required, and our assigned staffing and ability to meet agreed upon deadlines could be impacted.

Due to such potential changes in circumstance, we reserve the right to revise our fees. However, if such a change in circumstances arises or if some other significant change occurs that causes our fees to exceed our estimate, we will advise management.

Our fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs, imposed in respect of the Services, any work product or any license, all of which Client agrees to pay if applicable or if they become applicable (other than taxes imposed on Crowe's income generally), without deduction from any fees or expenses invoiced to Client by Crowe.

The Client and Crowe agree that the Client may periodically request Crowe to provide additional services for accounting and reporting advice regarding completed transactions and potential or proposed transactions. The fees for such additional services will be based on Crowe's hourly billing rates plus expenses or as mutually agreed upon between the Client and Crowe.

To facilitate Crowe's presence at Client's premises, Client will provide Crowe with internet access while on Client's premises. Crowe will access the internet using a secure virtual private network. Crowe will be responsible for all internet activity performed by its personnel while on Client's premises. In the event Client does not provide Crowe with internet access while on Client's premises, Client will reimburse Crowe for the cost of internet access through other means while on Client's site.

MISCELLANEOUS

For purposes of this Miscellaneous section, the Acceptance section below, and all of the Crowe Engagement Terms, "Client" will mean the entity(ies) defined in the first paragraph of this letter and will also include all related parents, subsidiaries, and affiliates of Client who may receive or claim reliance upon any Crowe work product.

Crowe will provide the Services to Client under this Agreement as an independent contractor and not as Client's partner, agent, employee, or joint venturer under this Agreement. Neither Crowe nor Client will have any right, power or authority to bind the other party.

This Agreement reflects the entire agreement between the parties relating to the services (or any reports, Deliverables or other work product) covered by this Agreement. The engagement letter and any attachments or addenda hereto (including without limitation the attached Crowe Engagement Terms) are to be construed as a single document, with the provisions of each section applicable throughout. This Agreement may not be amended or varied except by a written document signed by each party. No provision of this Agreement will be deemed waived, unless such waiver will be in writing and signed by the party against which the waiver is sought to be enforced. It replaces and supersedes any other proposals, correspondence, agreements and understandings, whether written or oral, relating to the services covered by this Agreement, and each party agrees that in entering this Agreement, it has not relied on any oral or written representations, statements or other information not contained in or incorporated into this Agreement. Any non-disclosure or other confidentiality agreement is replaced and superseded by this Agreement. Each party shall remain obligated to the other party under all provisions of this Agreement that expressly or by their nature extend beyond and survive the expiration or termination of this Agreement. If any provision (in whole or in part) of this Agreement is found unenforceable or invalid, this will not affect the remainder of the provision or any other provisions in this Agreement, all of which will continue in effect as if the stricken portion had not been included. This Agreement may be executed in two or more actual, scanned, emailed, or electronically copied counterparts, each and all of which together are one and the same instrument. Accurate transmitted copies (transmitted copies are reproduced documents that are sent via mail, delivery, scanning, email, photocopy, facsimile or other

process) of the executed Agreement or signature pages only (whether handwritten or electronic signature), will be considered and accepted by each party as documents equivalent to original documents and will be deemed valid, binding and enforceable by and against all parties. This Agreement, including any claim, action or dispute arising out of or related in any way to this Agreement, the Services provided by Crowe or the parties' relationship generally, whether in contract, tort or otherwise, will be governed and construed in accordance with the laws of the State of Indiana applicable to agreements made and wholly performed in that state, without giving effect to its conflict of laws rules to the extent those rules would require applying another jurisdiction's laws.

Crowe Engagement Terms

Crowe wants Client to understand the terms under which Crowe provides its services to Client and the basis under which Crowe determines its fees. These terms are part of the Agreement and apply to all services described in the Agreement as well as all other services provided to Client (collectively, the "Services"), unless and until a separate written agreement is executed by the parties for separate services. Any advice provided by Crowe is not intended to be, and is not, investment advice.

CLIENT'S ASSISTANCE – For Crowe to provide Services effectively and efficiently, Client agrees to timely provide Crowe with information requested and to make available to Crowe any personnel, systems, premises, records, data, or other information as reasonably requested by Crowe to perform the Services. Access to such personnel and information are key elements for Crowe's successful completion of Services and determination of fees. If for any reason this does not occur, a revised fee to reflect additional time or resources required by Crowe will be mutually agreed by the parties. Client agrees Crowe will have no responsibility for any delays in providing such information to Crowe. Such information will be accurate and complete, and Client will inform Crowe of all significant tax, accounting and financial reporting matters of which Client is or becomes aware.

PROFESSIONAL STANDARDS – As a regulated professional services firm, Crowe must follow professional standards when applicable, including the Code of Professional Conduct of the American Institute of Certified Public Accountants ("AICPA"). Thus, if circumstances arise that, in Crowe's professional judgment, prevent it from completing the engagement, Crowe retains the right to take any course of action permitted by professional standards, including declining to express an opinion or issue other work product or terminating the engagement or this Agreement in whole or in part.

REPORTS – Any information, advice, recommendations or other content of any memoranda, reports, deliverables, work product, presentations, or other communications Crowe provides under this Agreement ("Reports"), other than Client's original information, are for Client's internal use only, consistent with the purpose of the Services. Client will not rely on any draft Report. Unless required by an audit or other attestation professional standard, Crowe will not be required to update any final Report for circumstances of which we become aware or events occurring after delivery.

CONFIDENTIALITY – Except as otherwise permitted by this Agreement or as agreed in writing by the parties, neither Crowe nor Client may disclose to third parties the contents of this Agreement or any information provided by or on behalf of the other that ought reasonably to be treated as confidential and/or proprietary. Client's use of any Crowe Work Product (as defined below) will be limited to its stated purpose and to Client business use only. However, Client and Crowe each agree that either party may disclose such information to the extent that it: (i) is or becomes publicly available other than through a breach of this Agreement, (ii) is subsequently received by the recipient from a third party who, to the recipient's knowledge, owes no obligation of confidentiality to the disclosing party with respect to that information, (iii) was known to the recipient at the time of disclosure or is thereafter created independently, (iv) is disclosed as necessary to enforce the recipient's rights under this Agreement, or (v) must be disclosed under applicable law, regulations, legal process or professional standards.

CLIENT-REQUIRED CLOUD USAGE – If Client requests that Crowe access information on a third-party cloud-based system including, without limitation iCloud, Dropbox, Google Docs, Google Drive (collectively, "Cloud Storage"), Client shall ensure that Client or such third-party is in compliance with all applicable laws, protecting the information in the Cloud Storage from any unauthorized access, including without limitation, unauthorized access to the information when in transit to or from the Cloud Storage. Client represents that it has authority to provide Crowe access to information in the Cloud Storage and that providing Crowe with such access complies with all applicable laws, regulations, and duties owed to third parties.

DATA PROTECTION – Client may transfer information that can be linked to specific individuals who are Client's personnel or customers ("Personal Data") if such information is necessary to provide the Services. Crowe will process Personal Data as authorized by Client and permitted by applicable law.

Client warrants (i) that it has the authority to provide the Personal Data to Crowe in connection with the Services, and (ii) that Client has processed and provided the Personal Data to Crowe in accordance with applicable law. To the extent Crowe processes Personal Data, Crowe will process such information in accordance with the Data Processing Addendum located at <https://www.crowe.com/dpa>.

EMAIL ENCRYPTION – Crowe and Client will each allow opportunistic TLS encryption to provide for secure email communication, and each party will notify the other in writing if it deactivates opportunistic TLS encryption. If Client fails to allow opportunistic TLS encryption, Client agrees that each party may use unencrypted electronic media to correspond or transmit information, and Client further agrees that such use of unencrypted media will not in itself constitute a breach of any confidentiality or other obligation relating to this Agreement. Otherwise, Client and Crowe agree each may use unencrypted electronic media to correspond or transmit information and such use will not in itself constitute a breach of any confidentiality obligations under this Agreement.

INTELLECTUAL PROPERTY – Any Deliverables, works, inventions, working papers, output and all other work product conceived, made or created by or on behalf of Crowe through or in connection with the Services under this Agreement (“Work Product”), and all intellectual property rights in such Work Product will be owned exclusively by Crowe. Upon full payment by Client, Crowe grants to Client a non-exclusive license to use for its business purposes any Deliverables, including any other Work Product incorporated in such Deliverables. Crowe retains exclusive ownership or control of all intellectual property rights in any ideas, concepts, methodologies, data, software, enhanced or derived data, and elements thereof, designs, utilities, tools, models, techniques, systems, Reports, or other know-how that it develops, owns or licenses in connection with this Agreement as well as any enhancements and derivatives to any of the above (“Materials”). Crowe provides the same or similar services to other clients; therefore, Client agrees that nothing in this Agreement shall preclude Crowe from developing for itself, having developed, or developing for others, anything that is similar or competitive with the Work Product. The foregoing ownership will be without any duty of accounting.

CLIENT DATA USAGE – Client shall retain full ownership of all data provided to Crowe by or on behalf of Client in connection with this Agreement, and Crowe will maintain the confidentiality and protection of Client data as set forth in this Agreement. Client warrants that (i) Client has the authority to grant Crowe the right to use the data as set forth in this Agreement, (ii) such data was obtained or collected by Client in accordance with all applicable law, and (iii) the data does not infringe on any intellectual or privacy right of a third party. Client agrees that Crowe may, in its discretion, use any Client information or data provided to Crowe for the purpose of (a) performing the Services and its obligations under this Agreement, (b) as otherwise agreed upon in writing, (c) to further improve or develop our products and services, including through machine learning or other similar methods, or (d) as necessary to comply with applicable law or professional standards. Client grants a limited, perpetual, non-exclusive, irrevocable right to use the data provided by Client to the extent such data becomes a part of or incorporated into any Work Product or Materials.

DATA AGGREGATION – Client agrees that Crowe may, in its discretion, aggregate Client content and data with content and data from other clients, other sources, or third parties (“Data Aggregations”) for purposes including, without limitation, product and service development, commercialization, industry benchmarking, or quality improvement initiatives. Prior to, and as a precondition for, disclosing Data Aggregations to other Crowe customers or prospects, Crowe will deidentify or anonymize any Client data or information in a manner sufficient to prevent such other customer or prospect from identifying Client or individuals who are Client customers. All Data Aggregations will be the sole and exclusive property of Crowe.

USE OF THIRD PARTIES IN CROWE OPERATIONS – Crowe uses third-party providers and third-party solutions in the ordinary course of Crowe business operations. Third-party providers and solutions used in the ordinary course of Crowe business operations include without limitation email providers, cyber-security providers, data hosting centers, operating systems, tools with machine learning or artificial intelligence components (including generative artificial intelligence products or services), and other third-party products and solutions used to perform the Services or generate Work Product, or components

thereof. Crowe also uses its subsidiaries (owned and controlled by Crowe) within and outside the United States for various administrative and support roles. Crowe subsidiaries and any third-party providers used in the ordinary course of Crowe business operations will meet the confidentiality and data protection requirements in this Agreement. The limitations in this Agreement on Client's remedies will also apply to any such third-party providers and Crowe subsidiaries.

USE OF SUBCONTRACTORS FOR SERVICE DELIVERY – Crowe may engage third-party subcontractors in delivering Services to Client. Third-party subcontractors are not owned or controlled by Crowe (including without limitation Crowe Global member firms). If Crowe engages such a subcontractor to deliver Services to Client, Crowe will execute an agreement for the protection of Client's confidential information consistent with the provisions of this Agreement. Crowe will be solely responsible for the provision of Services (including those provided by subcontractors) and for the protection of Client's confidential information. The limitations in this Agreement on Client's remedies will also apply to any subcontractors.

LEGAL AND REGULATORY CHANGE – Crowe may periodically communicate to Client changes in laws, rules or regulations. However, Client has not engaged Crowe, and Crowe does not undertake an obligation, to advise Client of changes in (a) laws, rules, regulations, industry or market conditions, or (b) Client's own business practices or other circumstances (except to the extent required by professional standards). The scope of Services and the fees for Services are based on current laws and regulations. If changes in laws or regulations change Client's requirements or the scope of the Services, Crowe's fees will be modified to a mutually agreed amount to reflect the changed level of Crowe's effort.

PUBLICATION – Client agrees to obtain Crowe's specific permission before using any Report or Crowe work product or Crowe's firm's name in a published document, and Client agrees to submit to Crowe copies of such documents to obtain Crowe's permission before they are filed or published.

CLIENT REFERENCE – From time to time Crowe is requested by prospective clients to provide references for Crowe service offerings. Client agrees that Crowe may use Client's name and generally describe the nature of Crowe's engagement(s) with Client in marketing to prospects, and Crowe may also provide prospects with contact information for Client personnel familiar with Crowe's Services.

NO PUNITIVE OR CONSEQUENTIAL DAMAGES – Any liability of Crowe will not include any consequential, special, incidental, indirect, punitive, or exemplary damages or loss, nor any lost profits, goodwill, savings, or business opportunity, even if Crowe had reason to know of the possibility of such damages.

LIMIT OF LIABILITY – Except where it is judicially determined that Crowe performed its Services with recklessness or willful misconduct, Crowe's liability will not exceed fees paid by Client to Crowe for the portion of the work giving rise to liability. A claim for a return of fees paid is the exclusive remedy for any damages. This limit of liability will apply to the full extent allowed by law, regardless of the grounds or nature of any claim asserted, including, without limitation, to claims based on principles of contract, negligence or other tort, fiduciary duty, warranty, indemnity, statute or common law. This limit of liability will also apply after this Agreement.

TIME LIMIT ON CLAIMS – In no event will any action against Crowe, arising from or relating to this Agreement or the Services provided by Crowe relating to this engagement, be brought after the earlier of 1) one (1) year after the date on which occurred the act or omission alleged to have been the cause of the injury alleged; or 2) the expiration of the applicable statute of limitations or repose.

INDEMNIFICATION FOR THIRD-PARTY CLAIMS – In the event of a legal proceeding or other claim brought against Crowe by a third party, except where it is judicially determined that Crowe performed Services with recklessness or willful misconduct, Client agrees to indemnify and hold harmless Crowe and its personnel against all costs, fees, expenses, damages and liabilities, including attorney fees and any other fines, fees or defense costs, associated with such third party claim, relating to or arising from any Services performed or work product provided by Crowe that Client uses or discloses to others or this

engagement generally. This indemnification is intended to apply to the full extent allowed by law, regardless of the grounds or nature of any claim, liability, or damages asserted, including, without limitation, to claims, liability or damages based on principles of contract, negligence or other tort, fiduciary duty, warranty, indemnity, statute or common law. This indemnification will also apply after termination or expiration of this Agreement.

NO TRANSFER OR ASSIGNMENT OF CLAIMS – No claim against Crowe, or any recovery from or against Crowe, may be sold, assigned or otherwise transferred, in whole or in part.

RESPONSE TO LEGAL PROCESS – If Crowe is requested by subpoena, request for information, or through some other legal process to produce documents or testimony pertaining to Client or Crowe's Services, and Crowe is not named as a party in the applicable proceeding, then Client will reimburse Crowe for its professional time, plus out-of-pocket expenses, as well as reasonable attorney fees, Crowe incurs in responding to such request.

MEDIATION – If a dispute arises, in whole or in part, out of or related to this engagement, or this Agreement, after the date of this Agreement, between Client or any of Client's affiliates or principals and Crowe, and if the dispute cannot be settled through negotiation, Client and Crowe agree first to try, in good faith, to settle the dispute by mediation administered by the American Arbitration Association, under its mediation rules for professional accounting and related services disputes, before resorting to litigation or any other dispute-resolution procedure. The results of mediation will be binding only upon agreement of each party to be bound. Costs of any mediation will be shared equally by both parties. Any mediation will be held in Chicago, Illinois.

JURY TRIAL WAIVER – FOR ALL DISPUTES RELATING TO OR ARISING BETWEEN THE PARTIES, THE PARTIES AGREE TO WAIVE A TRIAL BY JURY TO FACILITATE JUDICIAL RESOLUTION AND TO SAVE TIME AND EXPENSE. EACH PARTY AGREES IT HAS HAD THE OPPORTUNITY TO HAVE ITS LEGAL COUNSEL REVIEW THIS WAIVER. THIS WAIVER IS IRREVOCABLE, MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND APPLIES TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, OR MODIFICATIONS TO THIS AGREEMENT. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS WRITTEN CONSENT TO A BENCH TRIAL WITHOUT A JURY. HOWEVER, AND NOTWITHSTANDING THE FOREGOING, IF ANY COURT RULES OR FINDS THIS JURY TRIAL WAIVER TO BE UNENFORCEABLE AND INEFFECTIVE IN WAIVING A JURY, THEN ANY DISPUTE RELATING TO OR ARISING FROM THIS ENGAGEMENT, THIS AGREEMENT, OR THE PARTIES' RELATIONSHIP GENERALLY WILL BE RESOLVED BY ARBITRATION AS SET FORTH IN THE PARAGRAPH BELOW REGARDING "ARBITRATION."

ARBITRATION – If any court rules or finds that the JURY TRIAL WAIVER section is not enforceable, then any dispute between the parties relating to or arising from this Agreement or the parties' relationship generally will be settled by binding arbitration in Chicago, Illinois (or a location agreed in writing by the parties). Any issues concerning the extent to which any dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of this Section, will be governed by the Federal Arbitration Act and resolved by the arbitrator(s). The arbitration will be governed by the Federal Arbitration Act and resolved by the arbitrator(s). Regardless of the amount in controversy, the arbitration will be administered by JAMS, Inc. ("JAMS"), pursuant to its Streamlined Arbitration Rules & Procedures or such other rules or procedures as the parties may agree upon in writing. In the event of a conflict between those rules and this Agreement, this Agreement will control. The parties may alter each of these rules by written agreement. If a party has a basis for injunctive relief, this paragraph will not preclude a party from seeking and obtaining injunctive relief in a court of proper jurisdiction. The parties will agree within a reasonable period of time after notice is made of initiating the arbitration process whether to use one or three arbitrators, and if the parties cannot agree within fifteen (15) business days, the parties will use a single arbitrator. In any event the arbitrator(s) must be retired federal judges or attorneys with at least 15 years commercial law experience and no arbitrator may be appointed unless he or she has agreed to these procedures. If the parties cannot agree upon arbitrator(s) within an additional fifteen (15) business days, the arbitrator(s) will be selected by JAMS. Discovery will be permitted only as authorized by the arbitrator(s), and as a rule, the arbitrator(s) will not permit discovery except upon a showing of substantial

need by a party. To the extent the arbitrator(s) permit discovery as to liability, the arbitrator(s) will also permit discovery as to causation, reliance, and damages. The arbitrator(s) will not permit a party to take more than six depositions, and no depositions may exceed five hours. The arbitrator(s) will have no power to make an award inconsistent with this Agreement. The arbitrator(s) will rule on a summary basis where possible, including without limitation on a motion to dismiss basis or on a summary judgment basis. The arbitrator(s) may enter such prehearing orders as may be appropriate to ensure a fair hearing. The hearing will be held within one year of the initiation of arbitration, or less, and the hearing must be held on continuous business days until concluded. The hearing must be concluded within ten (10) business days absent written agreement by the parties to the contrary. The time limits in this section are not jurisdictional. The arbitrator(s) will apply substantive law and may award injunctive relief or any other remedy available from a judge. The arbitrator(s) may award attorney fees and costs to the prevailing party, and in the event of a split or partial award, the arbitrator(s) may award costs or attorney fees in an equitable manner. Any award by the arbitrator(s) will be accompanied by a reasoned opinion describing the basis of the award. Any prior agreement regarding arbitration entered by the parties is replaced and superseded by this agreement. The arbitration will be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq., and judgment upon the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof. All aspects of the arbitration will be treated by the parties and the arbitrator(s) as confidential.

CONSENT TO JURISDICTION AND FORUM SELECTION – Subject to the section on Arbitration, the parties agree that all actions or proceedings arising from or relating to this Agreement shall be tried and litigated exclusively in the state or federal courts located in Cook County, Illinois, and each party hereby consents to personal jurisdiction in such courts. This choice of venue is intended to be mandatory and is not permissive. Each party waives any right it may have to assert the doctrine of forum non conveniens or similar argument and any objection to venue. Each party stipulates that the state and federal courts in Chicago, Illinois, shall have personal jurisdiction and venue over each of them for the purpose of litigating any dispute, controversy, or proceeding arising out of or related to this Agreement.

NON-SOLICITATION – Each party acknowledges that it has invested substantially in recruiting, training and developing the personnel who render services with respect to the material aspects of the engagement (“Key Personnel”). The parties acknowledge that Key Personnel have knowledge of trade secrets or confidential information of their employers that may be of substantial benefit to the other party. The parties acknowledge that each business would be materially harmed if the other party was able to directly employ Key Personnel. Therefore, the parties agree that during the period of this Agreement and for one (1) year after its expiration or termination, neither party will solicit Key Personnel of the other party for employment or hire the Key Personnel of the other party without that party’s written consent, unless the hiring or engaging party pays to the other party a fee equal to the hired or engaged Key Personnel’s compensation for the prior twelve-month period with the other party.

Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. Crowe also abides by 29 CFR Part 471, Appendix A to Subpart A. The parties agree that the notice in this paragraph does not create any enforceable rights for any firm, organization, or individual.
