Re: Opening of South Street Main Replacement Project

Mayor and Board Members,

The Water Utility requested quotes for the maintenance of the South Street Main Replacement Project. These quotes will be to upsize the water main on South Street to 8" Ductile Iron Pipe with new hydrants and service connections.

The table below is provided for the Board to record the quotes amounts read from the sealed quotes received by the Clerk-Treasurer's Office.

Vendor submitting quotes	Lump sum	Notes

I wish to review the quotes presented today and present my recommendation at the next scheduled Board of Public Works and Safety meeting.

Respectfully Submitted,
