

Greenfield-Hancock Animal Management

3/6/2026

To Whom It May Concern,

Please accept the formal resignation of Nevaeh Noel effective 3/6/2026, who held one of the Animal Control Officer roles at Greenfield Hancock County Animal Management. Nevaeh has accepted a management position in the ACO department at Indianapolis Animal Care Services. We are sad to see her go but wish her the best as she grows her career in animal welfare.

Thank you,

Kasey Napier
GHAM Director
