Good morning,

I hope you are doing well. I am writing to formally resign from my part-time position.

Due to recent life events and increasing time constraints, I am no longer able to commit the time as required.

I am very grateful for the opportunity to have worked at GFT. The experience and support I have received have played an important role in helping set the foundation for my career.

I hope that in the future, when my schedule allows, I may have the opportunity to return in a part-time capacity. Until then, I wish you and the team continued success.

Please let me know how I can assist during the transition.

Thank you again for everything.

Sincerely,
Brandon Crouse
