Created by and for leaders in the public sector IT industry, GMIS MEETS offers informative educational sessions on topics important in today's environment, interaction with industry-leading providers, networking opportunities and much more.

GMIS MEETS 2026 will be held August 23 – 26, 2026 in Williamsburg, Virginia.

The conference will provide to you

- Three days of esteemed industry expert speakers and presentations from your public sector peers
- Opportunities to network with industry providers through a robust exhibit hall
- An open dialogue for the exchange of ideas

Who should attend?

- Government CIOs
- Technology Directors
- IT Administrators
- Public Sector IT Professionals

Sponsorship Opportunities

Become a sponsor of GMIS MEETS 2026 and gain direct access to public sector IT decision-makers actively seeking innovative solutions.
