Greenfield, IN 46140

Re: Chlorine supplies contractual election 3rd Quarter - Informational

Mayor and Board Members,

As per our contract with Brenntag Mid-South INC., an email has been provided to the Water Utility that as of the date of the email notice as of 02 June 2025 Brenntag is staying at the current price per pound of Chlorine gas at \$1.19. As this is the best pricing available, I am advising that the Utility will continue to order from Brenntag Mid-South, INC. for 3rd Quarter ending 30 September 2025. Prior to the end of the 3rd quarter of 2025, we will request updated pricing for service from all distributors and make the selection for service for 4th Quarter ending 31 December 2025. We will provide another award letter at the time of selection for the 3rd Quarter to ensure that all parties acknowledge any change that may be selected.

The following is the tabulation of the pricing as received:

Company	Cost per pound of chlorine	Pricing firm through
Brenntag Mid-South Inc.	\$ 1.19	30 September 2025
Water Solutions Unlimited	\$ 1.28	30 September 2025
Alexander Chemical Corp	\$ 1.433	30 September 2025

I am advising the Board that we continue with Brenntag Mid-South INC. for chlorine supply services for 3rd Quarter ending on 30 September 2025.

I welcome any questions the Board may have on this recommendation.

Respectfully Submitted,

Charles Gill
Water Utility Manager

cc: Jane Webb, Utility Coordinator
Gregg Morelock, City Attorney
Lori Elmore, Clerk-Treasurer

Jimmy Griffith -Assistant Manager
Greenfield Water Utility
City of Greenfield

RE: Chlorine Gas Q3 Price Check

Alexander Chemical Corporation has gathered information for the Quarter 3 price check for the Chlorine Gas bid, and has concluded that we will keep our previously submitted price of **\$1.433/lb.**

If you all would like to place an order, please give us ample time prior to delivery for us to set the City of Greenfield up in our system.

If you have any questions, please don't hesitate to reach out.

Sincerely,

Robert Davidson, CEO
